

Help Stop Bullying Now!

Hey, I'm Gray-Haired Granny, and my *Help Stop Bullying Now! Tool Kit™* helps children see the beauty of diversity and understand the difference between acceptable and unacceptable behaviors.

When children make this promise, then fill out the certificate, they feel empowered to do their very best never to bully.

Yes, **YOU CAN** make a difference in children's lives, right in your own community, by sponsoring one or more classrooms. Your generous gift of the *Help Stop Bullying Now! Tool Kit™* provides each classroom with:

- 27 copies of *Charlie The Dimpled Dragon*
- Master CD with lesson plans and resources
- Coloring pages for the children
- "No Bullying Allowed Promise" Certificate

By sponsoring one or more classrooms, you'll provide schools and teachers invaluable resources for addressing the bullying crisis in grades K-3.
